

PACKAGE SPONSOR PROSPECTUS

May, 2021

The Industry Applications Society of the Institute of Electrical Engineers of Japan is pleased to announce that the 2022 International Power Electronics Conference -ECCE Asia- (IPEC-Himeji 2022 –ECCE Asia-) will meet May 15th through 19th, 2022 at Himeji City Culture and Convention Center (Arcrea HIMEJI) in Hyogo, Japan.

IPEC aims to provide an international forum for research and discussion on the latest research findings in the field of power electronics, and by so doing widely contributes to the further development of the field.

Since its inauguration in 1983, the conference has been held for 7 times; in 1990, 1995, 2000, 2005, 2010, 2014 and 2018; making IPEC-Himeji 2022 the 9th holding with 800 participants from around the world anticipated.

Taking this opportunity of the conference, we would like to offer IPEC-Himeji 2022 package sponsorship programs for related industries. Each package contains extensive sponsor's logo exposure at the conference materials, official website and announcement slides in conference rooms.

IPEC-Himeji 2022 Official Website opened in last December. With submission of extended summary closes on October 12, 2021, access counts to the website are expected to increase. We believe that it will be a perfect opportunity for the sponsors in appealing their presences and disseminating their profiles to researchers and engineers across the globe.

We would like to ask for your support and cooperation in order to make the IPEC-Himeji 2022 successful with your understanding to the significance of this conference.
